This month we will be starting the Brownies and Beyond Badge. We will be making a memory book and talking about their favourite memories from Sparks. The girls will also be learning about what happens after sparks. The girls will also be preparing for the upcoming fly-up (on April 2) by choosing a theme, making decorations and invitations.

A reminder that there will be no meeting March 12 because of March Break. Also, Spring is coming so we ask the girls to bring indoor shoes with them as the weather can be messy.
