

Sparks

September Newsletter

Welcome to Sparks!

The month of September is all about meeting new friends, learning about the Spark program & having fun!

The important dates this month are:

- **Mon. Sept. 10:** Meet and greet. We will get to know the girls and play icebreaker games.
- **Mon. Sept. 17:** Uniform Requests are due at the beginning of the meeting. All Sparks are provided with a program book at the first meeting of the guiding year, however, Spark uniforms must be purchased. Please make payments out to 19th Sparks Brantford. During this meeting, Sparks will learn the promise and read the spark story. They will also make puppets to perform a story.
- **Mon. Sept. 24:** Enrollment Preparation. Our enrollment ceremony will be October 1st. We will be making decorations and preparing for our ceremony during this meeting.

FOCUS: Being a Spark

- The spark focus this month is earning Being a Spark Badge at meetings. This month there is no Show & Tell Night.
- Please collect your "Lucky Pennies"! All lucky pennies fund field trip expenses, so the more you collect, the more program we can offer!
